anti-racist:

An anti-racist is someone who is supporting an anti-racist policy through their actions or expressing anti-racist ideas. This includes the expression or ideas that racial groups are equals and do not need developing, and supporting policies that reduce racial inequity.

latinx:

Latinx (adj.): Relating to people of Latin American origin or descent (used as a gender-neutral or non-binary alternative to Latino or Latina)

black/brown:

Brown is a word that is sometimes used to describe people who are not white, including some people who also identify as Asian-American. Should light-skinned Asian-Americans like some East Asians be able to call themselves brown? Kat Chow of Code Switch says the answer is complicated.
