How To Make Your Workplace A Safe Space for Trans Employees

SCOTUS just affirmed the rights of transgender employees. [Is your company doing its part to make the workplace an inclusive space?](#)

Employment, food insecurity, and unequal access to basic healthcare: these issues and many more are exacerbated by the COVID-19 pandemic.

In order to face these problems and other issues of systemic inequality, we need Social Design to be the approach, toolbox and lens that addresses these dynamic and persistent realities.

[So, let's talk about it! Panel discussion 7/1 at 1pm including UVA's Kevin McDonald.](#)

How to Be a White Ally and an Anti-Racist

[Hosted by Chicago Beyond](#), a first in their series, with two leaders about their own anti-racist journeys and the actions others can take to be a White ally and take action now.
